The Wonder of Eve

understand the power and strength created within the female body

The Wonder of Eve is a fresh and engaging presentation, helping young women understand how naturally amazing their bodies are and the impact their choices can have on their future health and fertility.

"Why didn't I know this years ago?"
We often hear this from our Natural Family Planning clients. Even as a young woman, they wish they had known this about their bodies!

The Wonder of Eve covers:

- the marvelous design and function of the female body and reproductive system/menstrual cycles
- a brief introduction to tracking cycles—a unique approach to women's healthcare, no matter the stage in life
- ways to take good care of yourself now, to benefit you in the future.

The Bishops of the United States prescribe, as minimal obligation, that all persons who are 14 years of age and older are bound to abstain from eating meat on Ash Wednesday and on all the Fridays of Lent and Good Friday. Further, all persons 18 years of age and older, up to and including their 59th birthday, are bound to fast by limiting themselves to a single full meal on Ash Wednesday and on Good Friday, while the other two meals on those days are to be light.

All the faithful are encouraged, when possible, to participate at Mass and to receive the Holy Eucharist daily, to celebrate frequently the Sacrament of Penance, to undertake spiritual reading, especially the study of the Sacred Scriptures, and to participate in parish Lenten devotions as well as Lenten education programs. Adoration of the Blessed Sacrament is especially recommended.

All are encouraged to participate in Operation Rice Bowl which has aided countless hungry persons here in the Archdiocese as well as throughout our nation and our world.
