## Mental Health Minute

Depression is the leading cause of disability worldwide.

"Anxiety and depression weigh heavily on the lives of many people. . . There is hope, though. I speak from experience. I have been on my own mental health journey that has taken me to the depths of darkness and them back to a life in which I once again experience joy and an even deeper love for our Lord." - *A Future with Hope*, Bishop James D. Conley, Diocese of Lincoln
